CAREER WORKSHEET 10

WHERE TO IN SOUTH AUSTRALIA?

Which career descriptors do you think best describes you? Circle your top 3.

Realistic – dealing with things such as using tools, doing mechanical or manual tasks or doing athletic activities

Investigative – the analytical, intellectual, independent personality who likes working with abstract ideas and problems

Artistic – the person who likes using their imagination and feelings in creative expression

Social – enjoys interacting with people and is concerned with the welfare of people

Enterprising – an energetic personality who enjoys leading, managing, organising and is always thinking about possibilities

Conventional – an organised person who likes to deal with data and ordering activities

What career pathways would you consider that takes into account your above selections?

What are your favourite hobbies and interests?

What do you think are your best skills and strengths?

Are there any career possibilities that would link your career descriptors, hobbies, interests, skills and strengths all together?

THERE'S **MORE** TO IT THAN YOU THINK.
